UPDATE November 1, 2007

Estrella Vista is available once again!

[Please view property details >>](#)

We're a man and wife, in our 20s, living off the grid in West Texas. Four years ago, we bought 20 acres of desert, and we've been slowly spreading into it.

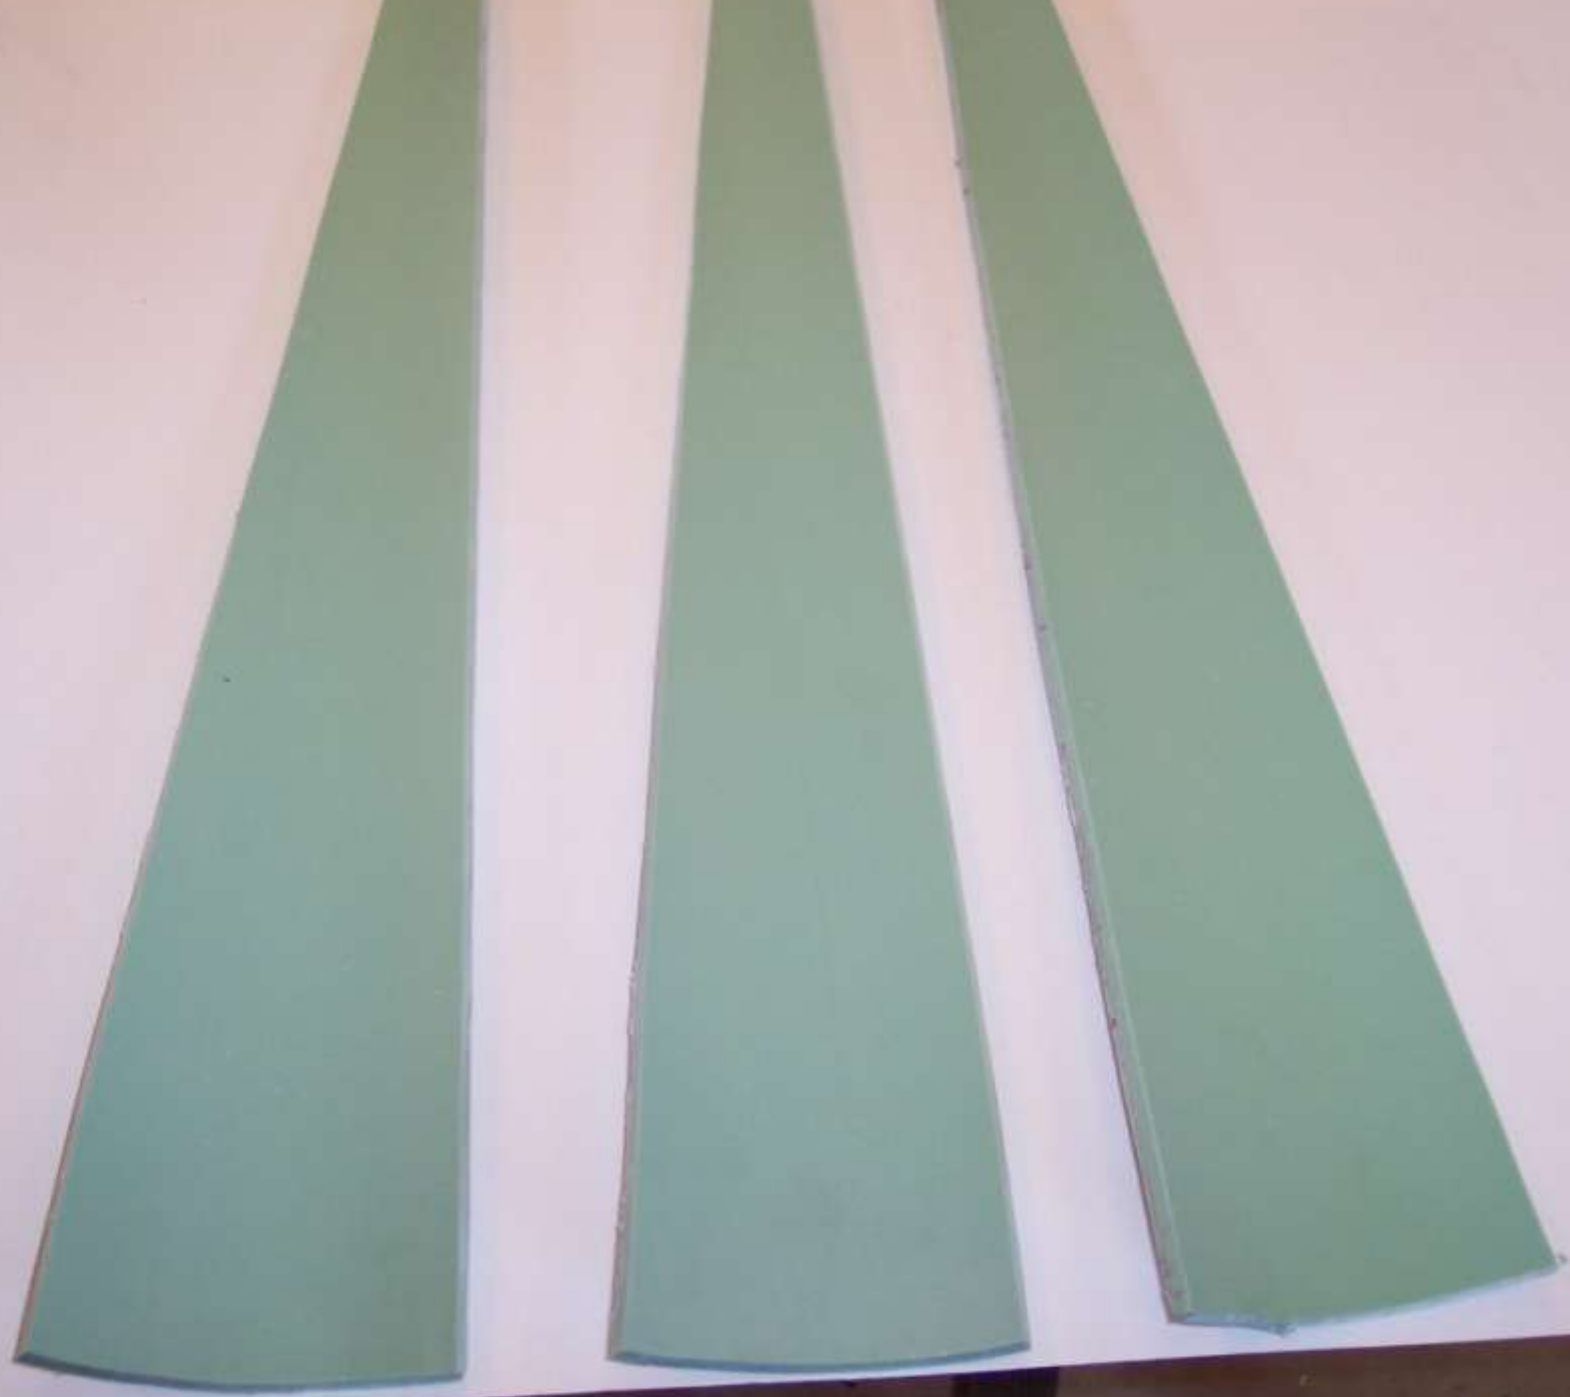

We've got a bunch of [chickens](#), a [garden](#) and the [desert](#) for [food](#) (goats coming soon). We have a [rock](#) and [adobe](#) house – still in progress – for [shelter](#). Rain water [catchment](#) for [water](#). [Wind](#) and [solar](#) for [power](#). [Composting](#) and [recycling](#) for [waste](#).
