

Recycle Your Old Plastic Garden Pots & Containers!!

When?

- Saturday, May 30, 2009, 8am-2pm

Where?

- Michigan State University Campus: Parking Lot 46, behind Plant Biology Building, off Wilson Ave.

What can be recycled?

- Tray flats
- Plastic buckets
- Tags (plant labels)
- Pots and containers with the following recycle numbers on the bottom: **#2 HDPE**, **#5 PP**, **#6 PS**

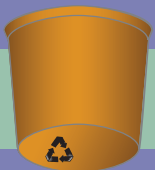

How to prepare materials to be recycled:

- Please remove dirt, stones and any other contaminants.
- All containers and tags should be sorted by recycle number and size
- Stack containers as tightly as possible.

VOLUNTEERS ARE NEEDED!!

Please contact Dr. Art Cameron at cameron@msu.edu or phone 517.355.5191 ext. 1338.

Do the right thing!
